An Irresistible Offering

We are rethinking our eating and drinking spaces completely. Hot on the heels of the extensive Cineworld 4Dx refurbishment, we are fast becoming Newcastle's freshest leisure destination, complete with food, drink and family fun all under one roof.

We are busy creating a whole new environment perfect for brands to deliver eating, drinking and entertainment with a difference in the heart of this vibrant city centre.

4DX Be in the movie

Providing a revolutionary cinematic experience which stimulates all five senses, the 4DX includes high-tech motion seats and special effects including wind, fog, lightning, bubbles, water, rain and scents, in both 2D and 3D formats.

These effects work in perfect synchronicity with the action on screen – creating the most unmissable and exhilarating cinematic experience yet.
